Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.

Educational Institute, United States, 2012. Paperback. Book Condition: New. 7th. 229 x 178 mm. Language: English . Brand New Book. This introductory accounting textbook accentuates the interrelationship between business principles and accounting. Information presented is based on the most recent uniform systems of accounting for hotels and restaurants. It uses computerized general ledger accounting as the basis for processing financial data. The text also contains several introductory managerial accounting chapters. This edition includes new information on the role of accounting in successful business decision making, fair value accounting, feasibility studies, and buying a franchise. Two new chapters cover depreciation and amortization and business math for hospitality managers.
